

## Product Specification Sheet

### DEFCON® CL Part #: PA410E

#### Product Description:

Everyday nearly 1,000 laptop computers are stolen - protect your laptop computer and its valuable data with this affordable laptop security product - the DEFCON® CL. The DEFCON® Cable Lock (CL) is 2.1 metres of galvanized steel cable that loops around any secure object and easily attaches to your laptop computer's lock slot. Our DEFCON® CL features a user-settable combination lock with up to 10,000 possible settings. The DEFCON® CL is the first laptop computer security product to offer the benefits and convenience of a keyless security solution.
